I am a graduate of Uxbridge College majoring in Computing and Systems Development. In the last few months, I have spent most of my free time learning programming, both Front-End and Back-End. I am looking for an opportunity to start working in the programming industry.

Skills

- Good understanding of Web Development (HTML, CSS, JavaScript, React.js, JSON).
- Good understanding of .NET Framework (C#, C++, Windows Forms).
- Good understanding of SQL databases.
- Basic knowledge of jQuery and Bootstrap.
- Ability to use GitHub for version control.
- Effective verbal and written communication in Polish and English.
- Great computer skills, mastered MS Office.
- Good problem-solving skills.
- Fast assimilation of new information.
- Ability to work in a team.
- Basic understanding of Project Management.
- Ability to work under pressure.
- Cat. B driving license.

Education

2015-10 - 2017-07
